Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the
Examiner's attention the documents listed on attached Form PTO-1449 and cited
in the international search report. Copies of the listed documents are attached.
Applicants respectfully request that the Examiner consider the documents listed
on attached Form PTO-1449 and indicate that they were considered by making an
appropriate notation on this form.

This Information Disclosure Statement is being filed with the above-
referenced application.

In lieu of a statement of relevance or the translation of the non-English
documents, enclosed is an English-language international search report from the
Japanese Patent Office in the PCT international application, from which this
national phase U.S. application is derived, citing these documents and setting
forth the relevance thereof.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.
